In February, we sent you a Notice TO DESTROY WEEDS, etc., from your property, **and maintain it throughout the year.** A recent inspection of the above-mentioned parcel(s) revealed the existence of a fire or health and safety hazard, due to:

- X 1. Weed regrowth
- 2. Brush
- 3. Accumulated Debris
- X 4. Other: **Cut and remove all dry weed and reduce brush volume by 50%, 200 feet from structures.**

Please arrange to have this hazard removed by August 25, 2014. After this date if the inspector finds that the work has not been done, he/she may have county crews do it with the charges appearing on your property tax bill.

No further notification will be sent before the work is done. Your cooperation in keeping your property hazard free and fire safe is appreciated. A diagram of the general clearance requirements is available on the Department's website at <http://acwm.lacounty.gov>.
